### Free Canine Distemper Vaccinations

In a proactive effort toward protecting & helping the community from the recent outbreak of canine distemper that has affected several areas, Brevard County Animal Services is offering free canine distemper vaccinations.

Canine Distemper is a highly contagious and serious disease caused by a virus that attacks the respiratory, nervous and gastrointestinal systems in canines of all breeds and ages.

Keeping your dogs vaccinations current is always the best line of defense and prevention.

The vaccines will be administered August 15, 2009 and August 22, 2009 from 9AM – 12PM at two separate locations.
