

## **Seventh Annual “Happy Pets-giving” Special Pet Adoption Event**

Animal Guardians of Brevard, a local non-profit organization, and the Brevard County North and South Animal Care and Adoption Centers (NACC and SACC), Aloha Pet and Bird Hospital, and the SPCA are co-sponsoring the Seventh Annual “Happy Pets-giving,” special pet adoption event. The event will take place on Saturday, November 13, 2010 from 10 AM until 4:30 PM to celebrate Thanksgiving, National Shelter Appreciation Week, and November as “Adopt a Senior Pet Month.” It focuses on the huge number of healthy, friendly cats and dogs in shelters who would be so thankful to have the loving, lifetime homes they deserve.

Free identification microchips will be available for all animals adopted from this event. There will be reduced adoption fees, and refreshments will be available. Come and save a homeless animal, and find a friend for life.

The South shelter is located at 5100 West Eau Gallie Boulevard in Melbourne , half a mile west of I-95. The newly remodeled North shelter is located at 2605 Flake Rd in Titusville . The SPCA is located at 455 Cheney Highway in Titusville , and Aloha Pet and Bird Hospital is located at 968 E. Eau Gallie Blvd. on the beach.
