NOODLES

Please Give me a forever home....

"Noodles" is a good boy, housebroken, gets along great with kids and cats. I haven't had him around dogs- but he has a mellow disposition. He loves to go for car rides, likes walks on his leash- but expects a treat or two when he gets back home. He loves to cuddle and have his neck scratched, loves to be soaped up in the bath. He can play fetch with his ping-pong ball, and he mostly loves his soft bed and sleeping next to someone.
