# Trouble

Please Give me a forever home....

Very playful, loves to run & play in the yard with the other dogs. He is ok around the horses & was with a small child in prior home. He knows some basics such as sit & down and mostly good on leash. He is crate trained when left alone. He will make somebody a great companion!

He needs an active person who will exercise him often. A fence yard is a must. He is a young, active breed and needs someone that understands that need and will walk, run or bike with him daily.

If you think you're the right person for him & want to meet this handsome boy, please fill out application & get preapproved at the shelter. Contact [tracey.breen@brevardcounty.us](mailto:tracey.breen@brevardcounty.us) if you have any questions.
